## General Advice Warning

It is important that you understand and are happy with the products we and our representatives can arrange. We can give you general information to help you decide but do not provide advice on this insurance based on any consideration of your objectives, financial situation or needs. Before making a decision about whether or not to purchase the product/s please carefully read the Policy Documents to decide if it is right for you.

## Information on Remuneration

We receive commission from Allianz each time you buy a policy (including renewals, excluding Queensland Compulsory Third Party Insurance) and for some variations, which increase the premium payable. It is calculated as a percentage of the insurer's base premium (this is the premium less stamp duty, GST and other government taxes, charges and levies).

We may also receive a profit share commission from Allianz for Home (excluding flood) and Motor insurance arranged by us (or renewed) with Allianz in each calendar year. If the agreed profit threshold is exceeded (determined according to a formula that takes into account factors such as premium received, claims and expenses incurred), we receive an agreed percentage of the profit which exceeds the agreed profit threshold.

We also receive an annual upfront marketing allowance from Allianz which is a percentage of the premium (less GST, stamp duty and any other government charges such as fire service levy (where applicable), taxes, fees or levies) earned on all insurance policies (excluding CTP) which we arrange for Allianz in the previous year. If our agreement with Allianz is terminated, this will be repayable to Allianz on a pro-rata basis.

Where you have been referred to us by a third party, we may pay them a part of the commission we earn. Any such commission we pay to a referrer is at no extra cost to you.

# FINANCIAL SERVICES GUIDE

We pay our staff and representatives an annual salary for their services and they may also receive bonuses or other incentives and rewards based on their performance relating to sales of products and other business criteria.

Where you have been provided with financial services by an employee who is an authorised representative, we may pay them all or part of our remuneration.

From time to time, we may participate in sales incentive schemes and Allianz may provide other benefits such as promotional items, financial assistance for promotion of its products, business related conferences, study trips or other functions. We may also be eligible to qualify for other benefits such as awards or hospitality events. These benefits are provided to us at no additional costs to you.

If you require further details about any of the above remuneration received from Allianz, please ask us within a reasonable time after receiving this FSG and before we provide you with financial services to which this FSG relates.
